CAUVERY RESERVOIR.

Notice is hereby given that sealed tenders will be received by the undersigned up to 5 P.M., on 3rd January 1917, for the supply of undermentioned articles required for the use of the North and South Banks of the Cauvery Reservoir Works, from 15th January 1917 to 15th July 1917.

2. The approximate estimate of quantities required is given against each items in the lists.

3. Tenders should be submitted in printed forms, which may be obtained from the undersigned's office and accompanied by a list in the form given below, showing the rate at which the different items specified in the lists will be supplied.

4. Each tender must be accompanied by a deposit of Rs. 100 as earnest money, and be superscribed "tender for the supply of Petrol and Kerosene oil" and in default of which, tender will be rejected. The earnest money of the unsuccessful tenders will be refunded.

5. The final acceptance of any tender will rest with the Superintendent of Dam Works, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

6. The name of the successful competitor, whose tender has been accepted will be posted in the Notice Board in the undersigned's office and intimated to him in the usual course. No enquiries regarding the acceptance or rejection of a tender will receive attention.

7. The rate tendered for each item shall include cost of delivery free on Rails at French-Rocks and Paschimavahini Railway Stations, Madras and Southern Mahratta Railway.

8. Orders will be placed with the successful tenderer, as the articles are required and the supply of the order in full must be completed within three weeks from the date on which such an order is placed, failing which the unexecuted portion of the order will be cancelled and orders placed elsewhere and the earnest money deposited by the successful competitor forfeited as a penalty for the non-execution of the order in full.

9. The brand or Maker's name should be specified in quoting rates.

10. Shell Petrol and white Kerosene oil required.
